A. Regulatory Package:

Other Board Business

Eric Olson briefed the Board bringing them up to date regarding the Regulatory package. He shared that the final regulatory package, amending the fees for both contractors and trades, would not be signed by the Governor, but would be left on the table for the next Administration. As a result of this delay in the implementation of new fees the Board adopted several cost saving measures:

B. Suspension of education provider training audits:

The Board decided to suspend auditing of approved education providers. Currently staff averages four audits per quarter, all of which incur travel expenses charged to the Board.

C. Travel Presentation Suspension:

The Board decided to suspend all staff travel for presentations and meetings that would incur a travel expense charged to the Board. Exceptions include subpoenas and expenses for joint programs, such as the DPOR/Commissioner of the Revenue meetings.

D. Amending the 2010 Board Meeting Schedule:

The Board amended the 2010 meeting schedule, eliminating three board meetings. This will result in larger caseloads and longer meetings, but should reduce meeting expenditures by approximately 37%. This reduces the number of meetings from eight to five. After discussion a motion was made by **Redifer** and seconded by **Smith** to approve the reduction of the Board for Contractor's meetings for 2010 by three. The motion was approved unanimously by: **Sumpter, Dyer, Rusher, Hart, Tomlin, Miller, Dowdy, Kirby, Redifer, Smith, Wood and Walton.**
